- Luncheon in the clubhouse for 4 people
- Complimentary food and drink for 4 people
- 1 complimentary place on our next Learn to Row course

Goals of our club

Provide high quality training facilities and equipment so all club members can row to their full potential

To support the rowers of our club who wish to compete in local, national and international events

Encourage rowers of all abilities to enjoy rowing and get reward for the efforts they put in

To provide a safe training environment and have equality for all members

To strengthen links and help support the local community

Bronze Package - £50

- Half page advert in the digital race programme
- Single event sponsorship

Why does Bridgnorth Rowing Club need your help?

Bridgnorth rowing club began in a small hut on the banks of the Severn and have now developed into a quality club that competes at national level throughout the year.

We have a group of members who enjoy getting out on the water to just enjoy the simple pleasures of rowing a boat. At the other end we have committed athletes who strive to push themselves to compete at the highest level; and in between a dedicated group who enjoy training regularly and competing at local events.

Our boat fleet and equipment is in constant need of refurbishment and upgrading, as well as aiming to improve the facilities and infrastructure of the club.

Our club is run by volunteers, and we are passionate about improving our club to benefit our members and the local community – your help and support will be of huge benefit to us.
